2. Registration is not considered complete, nor will a seat be reserved for a student, until the registration and capital fees have been received.
3. The registration fee and capital fee are non-refundable. Tuition is refundable according to the TIS policy stated below. Tuition includes the cost of the spring secondary education trip and one school yearbook.
4. All tuition and fees are payable in RMB cash, RMB check (payable to Tianjin MTI International School), or electronic transfer of U.S. dollars in the form of a U.S. dollar check (payable to **MTI D/B/A Tianjin International School**), electronic transfer, or travelers' checks.

The RMB fees will not change. If a change in the exchange rate occurs you will be notified of the revised US\$ amount due.
8. School lunch program – Pay for an entire year's lunch with a single payment at the beginning of the year. The following guidelines apply:
 - There will be no refunds for days in which students are absent and do not eat.
 - Refunds will only be given for full quarters not attended.
 - The one-time lunch payment plan does not apply to Wednesdays—on that day, students will still need to purchase lunch; also, it does not include drinks and other snacks the students may wish to buy—just the main meal.
 - Parents may still choose to pay for lunch on a daily basis.
 - The lunch plan pricing is available from the finance office. It differs based on the age of the child.

TUITION REFUND POLICY

1. The registration and capital fee are payable annually at registration and are non-refundable.
2. If a student withdraws early, tuition will only be refunded for half-quarters not attended. If a student applies and is accepted into the school after the commencement of the school year, tuition will be charged for the half-quarter of entry and all subsequent quarters.
3. No portion of tuition shall be refunded for a student dismissed by expulsion or for disciplinary reasons.
4. Tuition and fees are non-transferable to another student.
